

MID TERM NEWSLETTER SHADEL, RIDGEWAYS

28th May, 2025

Dear Parents/Guardians,

As we start the midterm break, we would like to take a moment to thank the Almighty God and all of you for your continued support and partnership.

It has been a joy watching our learners grow in **confidence, curiosity, creativity** and their **enthusiastic participation** in class activities. The progress they have made has been truly remarkable! Their energy and excitement remind us daily of the importance of early learning and the joy it can bring.

As we take this short break, we encourage you to spend quality time with your child by **reading together, playing, talking, and simply enjoying one another's company**. These shared moments create lasting memories and help reinforce the valuable lessons they are learning in school.

Wishing you a safe, restful, and happy midterm break.

Maryanne Kariuki

SMC Head teacher

PARENTS TEACHERS CONFERENCE

FRIDAY 27TH JUNE 2025

GRADUATION CEREMONY

THURSDAY 3RD JULY 2025

SCHOOL CLOSURES

THURSDAY 3RD JULY 2025

Co-curricular Activities

Skating helps learners develop a sense of balance and coordination. They learn how to control their speed and direction, start and stop smoothly.

The lessons learnt in soccer extend beyond the playing field. From teamwork, discipline and resilience which will serve your child well in many aspects of their life.

Swimming teaches valuable life skills like perseverance, teamwork, and water safety. It also boosts confidence and self-esteem.

Mother's Day

Mother's Day is a day to celebrate and honour mothers. It's a time to show appreciation for all the love and care they give. Our learners took time to make cards for their mothers.

Grandparents Dress-up Day

Grandparents dress up day was a way of embracing the "grand millennial" aesthetic and not replicating their style, but rather appreciating the comfort, nostalgia, and intentionality they embody. It's a way to connect with the past, prioritize comfort, and find joy in slow, thoughtful dressing choices.

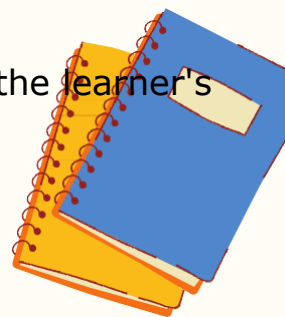

We thank our Grandparents for honoring our invitation for this event.

Art and Craft

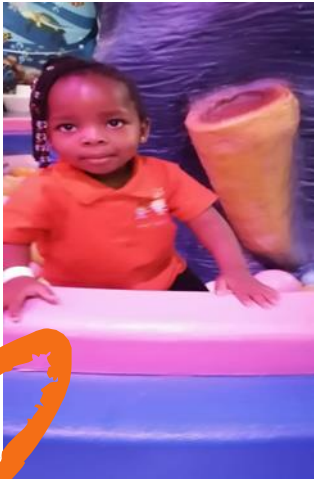

Art and craft is fun, it requires focus and attention to detail, improving the learner's ability to concentrate.

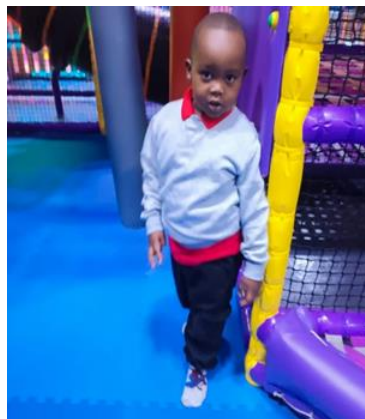

Love Class trip to Under the sea, Village market

The learners had a memorable experience as they interacted with 3D sea creatures and engaged in various interactive games.

Hope class trip to The Hub Park, Karen

The trip provided the learners with opportunities for gross motor skill development, encouraged social interaction, cooperation, and sparked their imagination.

OUR VISION

Nurturing and empowering a new generation of children who love learning and equipping them with necessary skills to sustain lifelong learning.

OUR MISSION

To provide an exceptional student-centered education that promotes creativity and self-confidence to early learners within a safe, friendly and homely environment.
